# Testimonials

“Dr. Burger gave one of the best presentations to my CEO group. His talk on White Knuckle Leadership was engaging and extremely useful. He customized it to fit our needs. He was also able to keep a group of CEO’s engaged for 3 hours. Not an easy task.

#### **Vistage**

#### **International**

“Arlen’s Emerging Leader Program is outstanding. He facilitated the program at BD over the course of a year with a group of high-potential leaders. He has the ability to make complex issues accessible and I learned how to be a more effective leader.

#### **Becton-Dickinson**

Dr. Burger excels in increasing the impact of leaders in an organization. He is capable of touching a broad base of issues from Sr. Manager level all the way to CEO of fortune 500 companies.”

#### **DeHood**

Dr. Arlen Burger developed and facilitated a leadership development process for our executive management team. Combining teaching, presentation, and experiential work, Arlen helped take us to the next level individually and as a team. He is a great developer of people and companies.

#### **Interphase**

“Arlen skillfully creates an atmosphere that allows participants to be candid and open. He has an innate ability to build enthusiasm for leadership themes and strategies. He is able to reach a diverse audience and connect with them at a personal level”

#### **Tabula**

“Dr. Burger presented his Consulting Skills for HR program to a group of senior level HR managers at my company. Over the course of 2 days he kept the team engaged and interacting. The content was top notch with tons of practical application. I would highly recommend him for speaking at your organization.”
